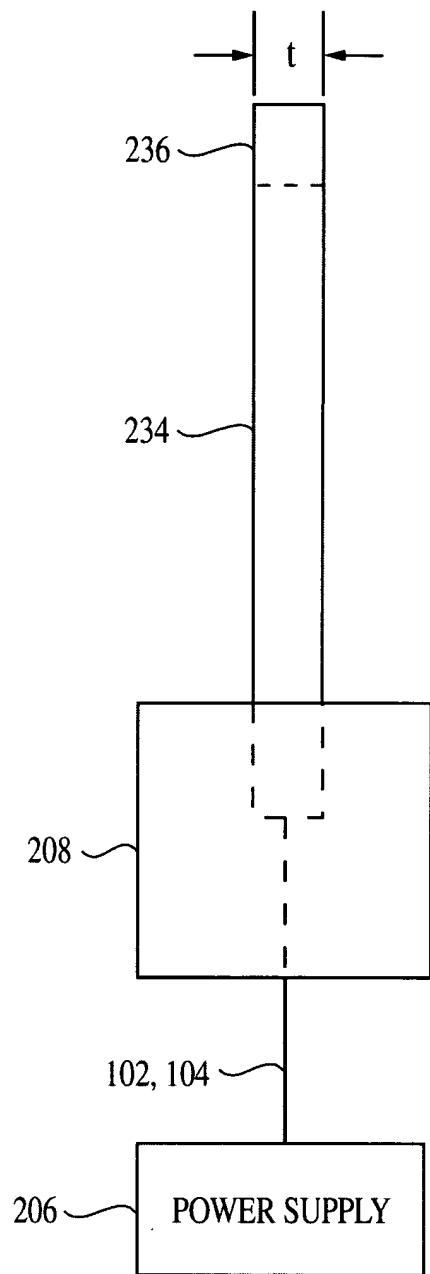

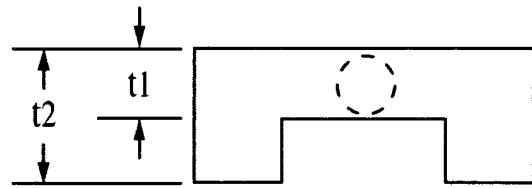

FIG. 3A-2

FIG. 3B-1

The diagram illustrates a power supply assembly. At the bottom is a rectangular unit labeled "POWER SUPPLY" with a wavy line 206. Above it is a larger rectangular unit labeled "208" with a wavy line 222. This unit features two vertical dashed lines and two curved lines, 102 and 104, connecting to the base unit. A central vertical structure is shown with a top section labeled "W1" and a bottom section labeled "W2". A downward arrow 240 is positioned to the left of the top section. The top section is labeled "236'" and "218, 238". The bottom section is labeled "232'" and "234'". The entire assembly is supported by a base labeled "206".
